(a) verdeling volgens de locatie van de patiënt
(b) deelnamepercentage van de peillaboratoria : (aantal opgestuurde formulieren / aantal verwachte formulieren) x 100
(c) diepe isolaties
(d) referentielaboratorium + peillaboratoria
(e) verdeling volgens de locatie van het laboratorium
(f) referentielaboratorium
(g) diepe isolaties behalve ooretter
(i) nieuwe + oude gevallen
(j) verdachte + bevestigde gevallen
